

OGLE COUNTY FAIR ASSOCIATION WINTER STORAGE

Our check-in will be Saturday Oct. 29, 2022, 9 am – Noon at the Ogle County Fairgrounds.

The maximum height for any unit in the exhibit building or in the open barns is 12 feet. This height includes anything sitting on top of the unit such as AC units.

Information needed when checking in: Owners Name, address, phone number, and email. The height, length (including trailer and hitch), and width of the item being stored. The license plate number and approximate value of the unit.

Cost is based on the length and width of your unit and the type of building you wish to place your unit (Exhibit Building \$5/ft. or Barn \$2.50/ft.). The formula is (length + width) x Building price + \$40 fee. If storing more than one item, the \$40 fee is only charged once.

Check in Procedure:

1. When you arrive, there will be 2 lanes depending on the type of storage you wish to place your unit (left lane = inside the enclosed exhibit building, right lane = undercover in one of the barns).
2. A fair volunteer will hand you a clipboard with the agreement for you to fill out in your vehicle.
3. You will then leave your vehicle in line and take the agreement and payment to the office. Then return to your vehicle as quickly as possible to keep the line moving.
4. When you reach the front of the line, it is your turn to place your unit, another fair volunteer will direct you. They will complete the location piece of the Agreement and give you one copy to keep.

Spring Check Out is Saturday, March 25, 2023, from 9 am - Noon.

Units placed into storage first are last to be removed (i.e., Last In must be First Out).

QUESTIONS: Call the fair office at 1-815-732-6962.
